

## Support artifacts

The artifacts donated to the Museum are made of various materials such as: terracotta, glazed ceramic, stone, metal, ivory, etc. from the cultural backgrounds of Vietnam and many other countries in Asia and Europe.

The donated artifacts have been appraised by the Museum's Council for Science. The qualified artifacts for will be counted and stored. The other will be put into the referential storage to be used as learning and research materials.

## Financial support

Museum of Vietnamese History in Ho Chi Minh City (which is managing the Hung King's Temple), located at: 02 Nguyen Binh Khiem, Ben Nghe Ward, District 1, Ho Chi Minh City, would like to express sincere gratitude to units and individuals for accompanying us in meaningful activities in worshipping and the ancestors, as well as decorating and taking care of the Hung King's Temple so that it can get more beautiful and earnest day by day.

No.	Time	Name of Unit/Individual	Address	Offerings
1	6/2013	Mr. Nguyen Duc Phuong	Hanoi	03 pairs of dragons, and flags and pennons of many types.
